

Stowmarket U3A Scrabble - News June 2013

Scrabblethon 2013

This event took place at the Red Gables centre, Stowmarket, on Saturday June 1st. 22 of us took part and we had some good games together with a celebratory tea and loads of chat and laughter.

Roll on 2014 for another such uplifting and enjoyable experience!

Following on from our January News Update, we now have 7 groups regularly meeting with some 20 players some of whom play in more than one group.

We could accommodate more, so if you are interested we would love to hear from you.
